Smoking and Vaping

3.57. Providers must not allow smoking in or on the premises when children are present or about to be present. Staff should not vape or use e-cigarettes when children are present and providers should consider Public Health England advice on their use in public places and workplaces.

1 INTRODUCTION

We comply with health and safety regulations and the Welfare Requirements of the EYFS in making our setting a no-smoking environment - both indoor and outdoor.

2 PROCEDURE

All staff, parents, and volunteers are made aware of our no-smoking policy. Staff who smoke do not do so during working hours. Unless on a break and off the premises. Staff who smoke before sessions or during their break make every effort to reduce the effect of the odour and lingering effects of passive smoking for children and colleagues.
